Minimum Salary: \$275/week

Minimum age 21. First aid/CPR and Lifeguarding certification required, Wilderness First Aid and valid driver's license preferred. Must have primitive camping, canoeing, and tripping (ideally backpacking and biking) experience and leadership experience with teenagers.

- Supervise a group of up to ten campers ages 13-15 and implement the Teen Program collaboratively with one other teen trip leader
- Maintain a primitive campsite on camp property that is used as the group's "home base" when staying at camp
- Lead the group on biking, canoeing, and backpacking trips outside of camp for several nights at a time, camping in rustic/primitive campsites
- Implement a service project with the teen program group

**Internships**

Camp Woodbrooke would be happy to coordinate with various college programs, to help provide worthwhile internship opportunities for students. College credit may possibly be arranged. The internship experiences should pertain to the program or overall mission of Camp Woodbrooke. Persons interested in such internships should contact us at the address below.

*All salary determinations depend on experience, certifications, and special skills. All positions include room and board.*
