

CAMP WOODBROOKE
A Small Summer Camp Under Quaker Leadership
Richland Center, Wisconsin

June, 2020

Dear friends,

After keeping a close eye on the situation and progress of COVID-19 locally, nation-wide, and around the world, and following the recommendations of the WHO, CDC, and ACA (American Camp Association), we have come to the painful decision to cancel our 2020 season of camp.

Of course, this decision breaks our hearts, but we know that you know that we make it with your campers' wellbeing - with ALL of our wellbeing - utmost in our minds. As much as camp benefits us all, staying healthy and safe during this challenge is, if nothing else, a first-hand lesson in the interest of the common good over self.

In the coming weeks we will be sending out newsletters with suggested diversions for you and the rest of your family. Included will be some favorite Camp Woodbrooke recipes, songs, and activities that we think you could replicate at home. We'll share pictures from past years, as well. If you'd like to receive these emails, please subscribe to our newsletter here:
